ITEM 1 Space Requirements

A draft space requirements paper, prepared by Mr. Ferrell, Army, [REDACTED] and the undersigned was tabled for discussion. After certain changes were effected it was decided that the draft would be taken to the GMAIC Members for review and determination of a time when the GMAIC Members could be prepared to meet on it.

It was agreed that no further Working Group meetings would be held on the paper unless an additional significant change or input should be proposed by a Working Group Member.
